### GRADE MEETINGS

A post-season Grade Meeting will be held with each grade in the VWCA (senior) competition. The venue for the meetings is likely to be Cricket Victoria or another central venue.

The meetings are not compulsory but are highly recommended for clubs that want to share good club practices and provide input into the structure of the VWCA competition. It provides an opportunity for clubs to air any issues or problems and to give any suggestions they have regarding the running of the competition in their grade such as rules changes. We are open to all comments and suggestions.

The Grade Meetings will be held in mid to late March 2006. Dates for the Grade Meetings will be finalised in February 2006 and made available to Club Delegates and on the VWCA website.
